

# LLANGORSE LOOP 2005

28 May 1pm. Cool, breezy, overcast, good visibility, very firm underfoot. Only 13 runners with just the one lady, and no-one under 40!

Tom Morgan, up from Somerset, was up Mynydd Troed in a twinkle, and led throughout (except when he had to slow down to take directions from the second and third placers!).

Thanks to Graham Cheshire and John Darby for marking the route, and to John Battersby for collecting the flags from the first hill.
